## **Computing for complete beginners**

Would you like to use a computer but feel overwhelmed or that you are too old to learn. Are you confident enough to send emails and photos from your phone or are you concerned about pressing the wrong keys.

Please contact me for a 1:1 session, at your home.

No prior experience necessary, as we can start from scratch and tailor the session to suit your requirements.

I can also help you fill out online forms and applications, many may require attachments or photos i.e., driving licences, or I can help you use comparison websites.

I charge £15 for an hour's session.

I gained my computer qualifications whilst working for East Devon District Council but have now returned home to my roots in the parish of South Hill, where I have started my own business helping people to gain confidence to use their computers at home.

You may have seen me at the Tamar Valley Country Store in Kelly Bray where I work on Fridays and Saturday morning.

Built in the 1890's, this bakery has been restored under new ownership, and with new ownership comes a new life!

We've kept the traditional bakery life with the distinctive Cornish pasty and popular saffron cakes but added a homely coffee shop and handy takeaway so you can eat in or on the go.

There's even the option to order online through 'The takeaway in the Bakery' app!

We always look forward to seeing our customers and having a chat, so if you're looking for a local, quiet place to relax and unwind with some tasty food and drink, this is the bakery for you. We'll see you soon! - **Bawden's, The Old Bakery.**

### **Some of you will remember The Bakery.**

Michael and Margaret Pearce owned and ran the bakery and shop for 50 years.

They closed the doors in 2007

The building was closed for 15 years and dodged demolition orders and also plans to be turned into flats. Before the current owners gave it a total makeover and opened the doors once more as a bakery, with iconic saffron cakes and buns, pasties and much more.

The addition of a coffee shop, outside seating, and takeaway hatch covers all options.

Pop in and say HI to Pauline, Jodies best friend.

## St Sampson's Church, South Hill

**Mayfest** Did you see the giant St Sampson. [St Sampson's Giant Monk](#)

**Music for a Summer evening** on 24<sup>th</sup> May, thanks to the extraordinary generosity of a sponsor. Over 50 people filled the church to hear the Aderyn Quartet, a very special evening for the delighted audience, which raised through donations over £470 for the St. Sampson's Unlocked campaign. More details here. [Aderyn meet Giant](#)

### Wildflowers

Would you like to know more about wildflowers? On **Tuesday July 11<sup>th</sup> 7.30** St Sampson's Church are hosting a talk on wildflowers by plantsman Mike Stephens. Mike regularly posts on [St Sampson's Living Churchyard | Facebook](#) sharing the discoveries he has made. Churchyards are amazing places full of biodiversity and special because they have never been cultivated.

### Windows

Work has started on the restoration of the last five windows. If you visit, you will note some have been boarded, but all will be replaced in gloriousness in August further reducing the draughts and damp.

### Permissions

After lengthy consultation with all sorts of people and organizations, we await the decision of the DAC (Diocesan Advisory Committee - church planning permission) about the submission for works to the roof, ceiling, kitchen, toilet, Manaton Chapel meeting space.

### South Hill Living Churchyard Project

We have received funding from the National Grid Electricity Distribution – Community Matters Fund for this project, to include more benches, bird boxes, an information board about flora and fauna and exciting explorer packs. There will be activity packs to explore and discover what is in St Sampson's Churchyard. We hope to have created these by the summer holidays for families to use and enjoy. Follow [St Sampson's Unlocked Facebook](#) for the latest news.

### Macintosh Miranda's Ramble

Miranda & Peter have completed their 177 mile walk around Offa's Dyke in Wales. Carrying everything and sleeping in a tent. On one occasion in a private orchard, at the invitation of a local person, when the expected campsites were shut! Many fabulous churches were visited, scrumptious cakes eaten and fascinating conversations had. Were there blisters, dehydration and sunburn? We await Miranda's article on her adventures.

An amazing achievement and she hasn't needed her macintosh! If you want to congratulate her on the completion of her walk, please donate to the Church Wardens retirement ramble.

## South Hill Parish Council

Details of the meeting held on 20 June 2023 included the following topics:

### **FOOTPATHS, LOCAL MAINTENANCE PARTNERSHIP:**

A contractor will be sought to trim the path between the allotments and the playing field which is overgrown as well as cutting the grass/weeds on the two unused allotments prior to black polythene being spread on them. If anyone is interested in the Allotments please contact: Cllr Carol Samuel 07777 695870

A number of paths remain unattended and are overgrown, if individuals or contractors are interested in the work please contact: Cllr Pete Tunncliffe Telephone: 07554 990984

A new stile is being prepared for fitting on the path near Woodlands House, Maders.

### **HOUSING NEEDS SURVEY:**

The council will enquire if the confidential Housing Needs Report is now released and available to Parish Councillors can be released for all in the Parish to read.

Mr Jonathan Pollard, Cornwall Council, will be invited to the July Parish meeting to discuss the implications of the report and possible housing in the parish. Subsequent to this a public meeting may be held to outline the possibilities.

### **GRANITE TROUGH:**

The saga of the trough continues! The highway manager for Cornwall highways has refused to site the trough either at the roadside or into the hedge owing to uncertainty about the stability of the bank. It now seems, the best place to site the trough is on the opposite side of the road, on the triangle of land opposite Lamberts Well, just below Westmoors House.

### **ASSET REGISTER and ACCOUNTS 2022/23:**

Both were reviewed by the council and approved and can be displayed on the web site.
