show from 8 – 10am or the previous
evening Friday 18th from 7 – 8pm.

**SHARE's latest project –
should we buy the fields at "Quarry Bottom" near Trevigro?**

Thank you to all who came to the picnic at "Quarry Bottom" on Sunday 23rd. It stayed mostly dry overhead, if not underfoot!
Thanks also to Tesco Community Champion and to Ginsters for providing food and drink for the picnic. Also to Duchy College for the loan of their trailer.

For those who missed out but would like to know more about our next project, you can read about it at

<https://south-hill.co.uk/shares-latest-project/>

You can read our Prospectus here... <https://south-hill.co.uk/wp-content/uploads/2023/06/Prospectus-v1a-29.06.23.pdf>

Would anybody be interested in meeting SHARE directors at the site to see for yourself and learn more? If so, email SHARE@south-hill.co.uk or phone 01579 382397.

Looking forward to seeing you all at the South Hill Horticultural Show on Saturday August 19th at the Parish Hall in Golberdon.
We'll be there to talk about our sustainability and renewable energy vision, Recycling For Charity project, and of course our exciting new project.

AGM coming up – Friday September 22nd, 8pm in the Parish Hall, Golberdon.
This will be an important one, at which members will VOTE whether to go ahead with the purchase of the fields at "Quarry Bottom". Come along and find out about our plans and what we might or might not do with the project.

To join SHARE costs £2 for those living, working or owning property in the parish and allows you to vote and other benefits. If you don't fall into that category, you can still join as an Associate member for £1, your support & input is most welcome.

Join us and visit the Council incinerator at St. Dennis.

The Cornwall Energy Recovery Centre as it's called,
on **Thursday August 24th** AM or PM trips available.

There is no charge for the tour, which lasts 2 hours.

Children must be over 7 years of age to visit this site.

Numbers are limited.

To book your space email Laurence who is kindly
arranging this for us. laurencersmith76@btinternet.com

We'll visit the Bodmin recycling centre another time as it's currently closed for redevelopment work.

TerraCycle now have a Newsletter and guess what, we are featured as a spotlight.

In the spotlight 🔦

Recycling highs 🏆

Top collector Ali Humphreys, from near Callington in Cornwall, has been recycling with TerraCycle since 2019. In that time, she and her community have managed to raise an amazing **£10,000** for charity! Most of the funds have been donated to **Kicks Count**, an inspiring charity dedicated to making a meaningful impact by actively working towards reducing the occurrence of stillbirths and neonatal deaths. **Well done Ali!** 🌟

Our running
total with
TerraCycle
now stands
at **£10,400**

The first dumpy bag of drinks cans was sent off and weighed in at 43.5kg and raised **£17.40** for our community. If you have ideas what the money could be used for, please let us know. 07305 044049. Keep saving your coke, and beer cans, so we can send a second bag full off.

Drop to Green Meadows or Moorland View car park collection points. I'll try and put other collections around the parish to encourage more of you to save your cans for us all.

The most popular items we recycle are, **Broken toys, games & puzzles, Crisps & Snacks packets, Biscuit, Cracker & Cake wrappers, Dental items, Bread, rolls, crumpets, wraps bags, Cheese packets, coffee bags, personal care tubes & makeup.** Check the full list here. www.south-hill.co.uk/charity-recycling

Some of you will remember Pearce's Bakery at Kelly Bray.

MICHAEL PEARCE Born 1.10.1940 son of Melbourne Pearce, Station Rd. Kelly Bray attended South Hill school from 9.4.45 to 8.2.46 if I'm reading the school register correctly, then went to Callington School.

Michael and wife Margaret owned and ran the bakery and shop for 50 years, closing the doors in 2007

The building stood empty for many years, before the new owners took over adding a coffee shop, outside seating, and takeaway hatch, but keeping the infamous Saffron cakes and buns, pasties and more. Pop in and say HI to Pauline, Jodies best friend.

LOWER INTENSITY CLASS!

Too many cakes and you may need some extra exercise... so burn the calories with ZUMBA every Wednesday morning from 9:15 to 10am. You'll have lots of fun boogying with Liz, you won't realise you're exercising. 6 per class. 07484 157706

Did you ever take the train from **MONKS CROSS** ? 😊

A brief history of Lockett Station.

Established on 7th May 1872 as a 3 foot 6 inch narrow gauge railway depot called 'Monks Corner' the line was 7.5 miles long running from Kelly Bray to Calstock and used to transport minerals and bricks, stone and coal from the many local mines and quarries.

In the following years many changes and modifications were made to the line that would eventually re-open as The Tamar Valley line including the construction of Lockett Station buildings by the celebrated light rail engineer Colonel Stephens and the construction of the impressive Calstock Viaduct by John Lang of Liskeard (started in 1904 and completed in 1907) it's an impressive sight still and is unique, being the largest viaduct in the UK built from concrete blocks.

In 1908 it was operating as a passenger and goods station serving the Tamar Valley.

Lockett Station boasted its own carriage shed and amongst many things handled parcels, livestock, cattle vans and horse boxes. The original goods and passenger platforms are still in place together with the original granite railway bridge.

The goods side of the station was closed in September 1962 and, as part of the infamous 'Beeching cuts', the station was closed to passengers on 5th November 1966.

New owners have created two beautiful and unique holiday cabins 'The Signal Box' and 'The Sidings' which run independently of each other due to the layout and size of the station grounds. We have been very lucky as both holiday cabins are amazingly successful with year round occupancy and our wonderful guests breathe life back into a station that was built to be of service to the public.

Located in The Waiting Room building sited on the original passenger platform at Old

Lockett Station is an indoor heated swimming pool available for hire, early till late, seven days a week, all year round. Gift vouchers are available. <https://oldlockettstation.com/>

RECIPE OF THE MONTH Mexican Gazpacho

This chilled soup makes for a lovely light starter for a summer meal. Make sure your produce is as fresh as possible as there is no cooking involved and you want the flavours to sing.

Serves 4

Ingredients

- 600g vine-ripened tomatoes
- Small cucumber (about 4 inches)
- 1 red pepper
- 1 teaspoon smoky paprika
- 500ml water
- 2 birdseye chillies (optional)
- Splash olive oil
- Splash vinegar
- Salt and pepper, to season
- Coriander, to garnish (spicy croutons good too)

Method

1. Place tomatoes, cucumber, pepper, paprika, water and chillies into a food processor or blender, and blend until smooth.
2. Pour into a jug and stir in the olive oil, vinegar and add seasoning to taste.
3. Chill in a refrigerator for at least 1 hour.
4. Serve with fresh coriander as a garnish.

(A good way to use up surplus tomatoes and cucumbers in season. Also works substituting a small courgette for the cucumber, but make sure it is really well blended.)

This month's adventure for the WI was a trip across from Plymouth to Drake's Island where they had a guided tour around the island.

The weather stayed good and the 20 minute crossing in a small boat was smooth, the island guide was friendly and informative. The eco system of the island was full of birdsong with butterflies and bees in abundance. The old brickwork of the tunnels and the ammunition stores was amazing but you definitely need a torch. Everyone enjoyed their picnics surrounded by cannons. It was agreed by all that it was a worthwhile and excellent day out.

Under 3's travel FREE.

St Sampson's Church

Sampsons' Explorers

A free summer holiday activity for the family. An explorer pack is being created to help children discover what is in St Sampson's Churchyard and Church. Details to be announced soon.

St Sampson's Church has a living churchyard. There are many creatures who live here; including bats, birds and insects. The grass grows long in places to provide homes for them and wild flowers for food. This is a place to be enjoyed and explored.

From time to time we have talks on topics such as bats and flowers. We are gradually compiling records of flora and fauna and hope to expand this to creatures as well.

Churchyards are very special places for bio diversity and habitats as they have not been cultivated for hundreds of years. You are welcome to explore and record what you find. There is a box in the church porch with information.

**Honey Fair
plans are well & truly buzzing.**

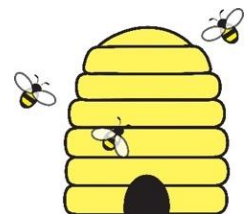

Saturday 30th September

Callington Lion's President Don Berrey says that plans are well advanced for this year's Honey Fair. The change of day to Saturday 30th September is being well received by local businesses and the public alike.

He added that the aim this year was to be more family friendly and, being on a Saturday, should allow more families to enjoy all that Honey Fair has to offer.

As well as the traditional Bee Keepers display, 'teas with the bees' and the Town Crier Competition there will be a special children's entertainment area with many activities, with the possibility of entertainment, a pet's corner and a bouncy castle.

We are hoping for a good response from local shops with their window displays and from the schools with the children's painting competition.

In addition there will be live music provided by local schools and musicians.

Don added a big thanks goes to Callington Town Council for their support with a financial grant to the running of the Fair.

Lions are encouraging more local charities and companies to take up stalls – Book a stall here: <https://www.diverse-events.com/.../callington-honey-fair.../>

For Further information on Callington Lions please see website:
<https://www.facebook.com/CallingtonLionsNews>

South Hill Parish Council

Details of the meeting held on 18th July 2023 included the following topics:

Soil and waste deliveries to Tregonnett Farm, Golberdon

Several people have contacted the council or councillors about this. One resident attended the meeting in person to express their concerns about the volume of lorry traffic and asked questions about the type of material and licencing. They wanted to know how long these deliveries would continue and if the material might be moved back out of the parish. The Parish Council had been given answers to some of these questions. However, the Council has no statutory role in this matter so decided the best course of action was to support a public statement directly from Mr Marquand, the farmer at Tregonnett. He has said he is happy to talk to anyone who contacts him individually. 07777 254 7339

Play Area

The Play Area is inspected weekly by the Council. If you notice anything, between inspections, that is damaged or appears to be faulty, please let the Council know about it.

Affordable Housing

The Council has no issues with the content of the Housing Needs Survey. It can now be published on the Council website. Jonathan Pollard, Housing Development Officer at Cornwall Council will now look at the survey results and produce some proposals which will be the basis for further discussion with the parish.

Good growth Fund

Cornwall Council has been awarded £132M from the Governments Shared Prosperity Fund. There is more about the Good Growth Fund [here https://ciosgoodgrowth.com/](https://ciosgoodgrowth.com/)

There are 2 grants available to help local organisations.

The [Community Capacity Fund](#) is intended to support community organisations to develop projects or project ideas. It's fairly straightforward to get started with a new venture. The Project Team are there to help applicants.

The [Community Levelling Up Programme](#) is there to support a range of community projects. Larger grants are available but there is much more demand so if you are part of an organisation that might benefit, you would be wise to apply soon.

Granite Trough

The saga continues but a solution is in sight! It can be recessed into the bank so that it conforms to the current road safety requirements. The bank near to Lamberts Well (the well not the house!) is lower than at the original site of the trough so the stability of the bank won't be an issue.

I'm arranging a site meeting at **5.00pm on Thursday 3rd August** to decide exactly where the trough should go, how to do it, who to do it and when. If you are able to lend a hand, please come along.

UPDATE FROM: Cllr David Skelton.

For fully accurate information as to council meetings readers should consult the minutes of council meetings at www.south-hill-pc.gov.uk

All communication should be directed to Jenny Hoskin (Parish Clerk) Telephone 07810 234417, email southhillpcclerk@gmail.com or write to Branston Farm, Bodmin Road, Bodmin PL30 4BB

The Parish Council doesn't meet in August unless there is some unexpected urgent business so the next meeting will be on **19th September**, starting at 7:30pm at the Parish Hall. All Welcome.

What a transformation,
the hall as a wedding venue
last month.

Church Matters August 2023

Faith and Trust: I've been enjoying a biography on the life of Abraham, written by David Jackman. Abraham was getting on in years when he was first upped sticks and left the security of his home in Haran (possibly in modern Turkey). He left it all to go to the land of Canaan with his family and nephew Lot. He didn't have an easy life nor was he perfect, yet he is known for believing that, not only did God exist, but that such a being was calling him to go on such an adventure.

As a person, Abraham is both colourful and inspiring for those about to embark on a spiritual journey. He had to search his soul and face his shortcomings. His encounters with God enlarged his understanding of who this all-knowing, all-powerful being was. This faith is something deeper than mere head-knowledge or about having feelings of something 'other' or spiritual.

BLONDIN

CROSS THE PERILOUS GORGE

**AT
Niagara Falls**

**Pushing
A WHEELBARROW**

The Master Funambulist
Will Amaze All
With His Airborne Antics
And Death-Defying Courage

July 16, 1859
at 5:00 p.m.

Admission.....25 Cents

Blondin (Jean-Francois Gravelet), was a well-known acrobat and tightrope walker in the 1800s. He's famous for crossing Niagara Falls on a tightrope. Large crowds watched him cross using a balancing pole. He would then throw the pole away to the amazement of his onlookers. In 1860, watched by a Royal party from England, he crossed the tightrope on stilts and then did so wearing a blindfold. Later, he stopped halfway to cook an omelette, which he sat and ate. Next, he pushed a wheelbarrow across and then added a sack of potatoes.

He asked the Duke of Newcastle, 'Do you believe that I could take a man across the tightrope in this wheelbarrow?' 'Yes I do,' said the Duke. 'Hop in!' replied Blondin. The crowd hushed, but sadly the Duke of Newcastle refused to accept this challenge. Asking for a volunteer, an old woman stepped forwards and got into the wheelbarrow. He pushed her all the way across and back again. The old woman turned out to be Blondin's mother, the only person willing to put her life in his hands.

The people watching believed Blondin could perform such a feat. But none of them, apart from his mother, was willing to put their trust in him. This is the same with faith which is not merely intellectual; it involves an active step of putting our trust in God. Yes, this involves risk, but the journey of faith proves to be exhilarating. Of course, we wouldn't put faith in our brakes if we knew they were faulty. Also, faith is not something we do from afar. We don't act like the concerned father (David Jackman talks about in his book), who said to his son:

Don't go into the water until you've learnt to swim!

This is a nonsense – you can only learn to swim if you actually venture into the water; at first with buoyancy aids and maybe an instructor. Similarly, faith and trust in God requires that we step out into the unknown and allow God to carry us across the chasm that exists between people and the kingdom of God. We can trust entirely in God because he delivers on his promises.

Rev'd Joe Lannon (*Rector, Callington Cluster*)

Recycling for Charity will be supporting Chyvarhas, by selling, toys, games and puzzles. If you have items to donate please drop them to Green Meadows, 200 yards from Golberdon crossroads on South Hill Rd. or CALLINGTON Library in the foyer.

All the money raised will be given to Chyvarhas for their residents.

So come along and grab a bargain. It'll be a fun afternoon for all.

RECYCLING FOR CHARITY also on the Town hall wall of tiles.

Thank you to those that sent in photos of **SOUTH HILL** ... there are a couple different ones.
