HALF Term week was the week that work started on repairs to Callington Newbridge and what a week that was with traffic diverting through Maders and Golberdon, causing confusion, frustration, accidents and then the heavens opened and the floods came and still drivers came and caused havoc. BUT repairs finished on time and hopefully the chaos will stop drivers using this route again. Thank you to those that posted updates on our South Hill Parish Connection [Facebook page](#) to help everyone negotiate the carnage and for those who stayed away some entertainment.

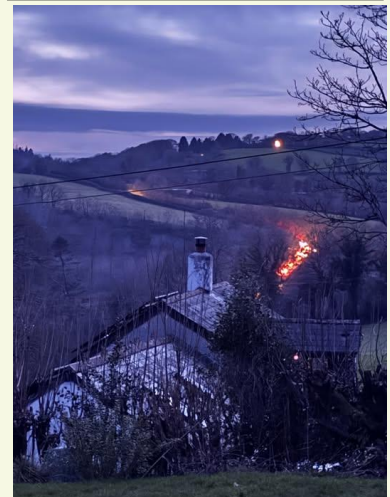

Not a passing place on Scrawsdon Hill

Top of Scrawsdon Hill between Burnt Wood and Mill Lawn turn

Are you interested in researching the history of the parish or the stories of the people who lived in your home?

There is lots of information to discover and help is available if you don't know where to start. As part of the St Sampson's Unlocked project, I'm trying to continue research some of us started ages ago on the stories of some of the people commemorated in the church and churchyard, but there are all sorts of other parish stories to explore and memories of long term residents to record.

I'd love to get an informal group together to swap information and eventually maybe write a short history of the parish.

If you are interested, please email me mlawranceowen@icloud.com or pass this message on to anyone you know who might be interested.

Thank you
Miranda Lawrance-Owen.

Also looking for any photos you can email or we can scan.

South Hill Piecemakers

South Hill Piecemakers had a wonderful event on Feb. 22nd at the Parish Hall Golberdon. There was a great sale of fabrics, great cakes and more importantly lots of Linus quilts in the making. If you'd like to join us please contact any member or email Elaine elaineruthbrewer@hotmail.co.uk or call 07360 616627

HOUSING in South Hill Parish Today!

More than 50% of those who live in South Hill Parish are 55 years or older. The average for the rest of the country is just 30%. Every time there is a national census, the proportion of older people living here inexorably rises. This is a worrying trend as I believe it is not good for our community to have so few youngsters. (Youngsters = under 55 years old!)

The good news is that I have just heard that a young lad, born and raised in our parish is going to move into his own home in the parish. He is multi –talented and has travelled across the world so could have chosen to set up home anywhere. This is great but should not be so unusual. I can count the number of children who grew up in the parish over the last few decades, and now live here, on the fingers of one hand.

Meanwhile, the Government is requiring Cornwall Council to build 4,421 new dwellings every year.

The Council must identify a 5 year supply of land for these new houses. Our local planning policies have been undermined by making it easier for developers to build open market properties. These are more profitable for the developers than the local-needs, affordable homes that we really need.

When our South Hill Neighbourhood Development Plan was being created, it was recognised that a limited number of new homes would support the social and community facilities available in the Parish.

Building up to 21 new houses is supported by the NDP.

About half those have been or are being built and we are about halfway through the period of the Plan. The NDP also supports the building of small scale affordable housing on the edge of existing settlements where there is a local need.

That housing need was identified in our **2023 Housing Needs Survey** which found a small but significant need for affordable housing in our Parish, by people with a local connection to South Hill parish.

There is an opportunity for us to develop our own Affordable Housing Project in our parish. This is supported by Cornwall Council. Our Parish Council also supports this but don't want to be directly involved. If we develop our own project, we, the residents of the parish, get a say in what might be built.

If you would like to know more about how a small affordable housing scheme could benefit the parish, how those homes would remain affordable in perpetuity and how you could get involved in a scheme so that the scheme is designed to suit the needs of our parish please stop me for a chat or give me a call on 07776 386828.

February's meeting was a talk by Simon Dell on the Reverend Bray's Bardic boulders. A talk on hidden carved stones he dedicated to the poets and writers he loved. These are hidden in the Devon countryside. Simon is an interesting and knowledgeable speaker that made the subject come alive for us all.

Goji, buckwheat and chia seed granola

Have a nutritious breakfast to start the day. This homemade granola recipe is packed full of nutrients and can be stored in a sealed container for up to a month...

Ingredients

- 220g oats
- 200g buckwheat
- 200g pumpkin seeds
- 200g sunflower seeds
- 200g goji berries
- 50g chia seeds
- 110g coconut oil
- 150g honey
- 1 tsp. sea salt
- 3 tbsp. cacao

Method

1. Preheat your oven to 170°C/ gas mark 3.
2. Melt the coconut oil and honey together and stir in the rest of the ingredients.
3. Bake for 10 minutes, remove and stir. Repeat until everything is golden.
4. Leave to cool – the granola will crisp up in this time.
5. Serve with fresh fruit and low-fat natural yoghurt.

Tips:

Lining your baking tray with grease proof baking paper will make it easier to turn the mixture, and to tip into a container when cold.....

Ring the changes with dried fruit and/or chopped nuts - or swap the coconut oil for sunflower or olive oil, and add desiccated coconut. It's also a good way to use up odd, forgotten, half packets of seeds, nuts, dried fruit etc from the depths of your kitchen cupboards. Be creative!

(Created by: Ashley Keen, Denman Tutor)

The next meeting of South Hill WI is on Wednesday 5th March at 7pm in the Parish Hall, Golberdon, when the speaker will be

TIM LAYTON-HYSLOP

Tim, who is a Financial Adviser, has very kindly stepped in at short notice as our planned speaker is unwell. Tim is going to talk about

SHARE held the 'Love Your Home' event on 15th February, the day after Valentine's day, so that we could show our love for our homes and energy savings. We were joined by **Community Energy Plus** (CEP), **South West Water**, **Stoke Climsland Climate Action Group** the **Parish of St Ives Community Resilience Project** and **Callington Foodbank**.

CEP went through the basics of energy savings in the home, which means looking at the fabric of the house first, have an assessment of the current state of your house, and then deciding where you can make improvements.

As well as one to one advice from the CEP team, nine people signed up for a home visit from a CEP Home Energy Assessor. These assessments are free, tailored to your home and also completely impartial. The first step on a journey to a more comfortable, healthier and cheaper to run home.

This was re-iterated by both Stoke Climsland Climate Action Group and the Parish of St Ives Community Resilience Project, who both showed local examples of what has been done and can be done.

South West Water gave away tap inserts, shower timers and signed one person up for a free water butt.

The event was well attended and also showcased what SHARE has been doing in the Parish. The Thermal Imaging Camera is available, just ask.

SHARE always welcomes new volunteers and suggestions, please contact us by email share@south-hill.co.uk if you'd like to contribute or have questions.

At the end of the event, we had a typical example of food that could be prepared using the food parcels of food banks, kindly prepared by Kerry Feehan from the **Callington Foodbank**. The ingredients for the vegetable stew and chicken pasta bake were purchased by **SHARE** to show the possibilities of how these food bank parcels can be used.

The ingredients cost £15.35 and 22 people enjoyed the meals.

Callington Foodbank does more than just providing food, they also give advice, helping local people in crisis, and anyone interested should contact them directly <https://callington.foodbank.org.uk/>

SHARE wants to Thank Everyone for their time and to those that made the event such a great success.

For those of you who couldn't make it, here are some useful links. [SHARE Love your Home event Feb. 15th 2025 | South Hill Connection](#)

Become a Parish Councillor

To become a parish or town councillor INFO pack here.

www.cornwall.gov.uk/the-council-and-democracy/elections/guidance-for-candidates-and-agents/

Elections will be held on 1st May for all town and parish council seats, together with all Cornwall Council seats.

Read more here and/or speak to any councillor.

www.cornwall.gov.uk/the-council-and-democracy/elections/elections-and-referendums/2025-cornwall-council-and-parish-and-town-council-elections-1-may-2025/

Key dates and more information here

www.cornwallalc.org.uk/town-and-parish-council-election

Hand in completed candidate forms at Luxstowe House, Liskeard, in person before 4pm on **2nd April**.

Date	Event	Notes/Actions
Wednesday 6 th November 2024	Casual vacancies no longer filled via election.	If a vacancy occurs within six months of the election there is no obligation for the Council to fill it and the seat may remain vacant until May.
Friday 14 th March	Publish notice of election	Cornwall Council will call the local elections and issue the Notice of Election to the clerk for display. These should be displayed in public areas and on the council's website to encourage people to stand as candidates. Cornwall Council will be contacting clerks to enquire how they would like to receive the supply of nomination packs, i.e. by postal carrier (a charge will apply), collection, or delivery to Cornwall Council premises.
Friday 14 th March	Pre-election period begins – and lasts until after polls close.	Formerly known as Political Purdah. Once the election has been called, councillors must be mindful of their duty under the Council's Code of Conduct not to do anything which might be interpreted as using their office as councillor to influence the outcome of the election. Further information is available from Pre-election period Local Government Association
Wednesday 2 nd April 4pm	Closing date for submission of nomination papers	Nominations papers must be submitted in person by the candidate or their representative at a Cornwall Council designated elections office no later than 4pm.

Who can stand: In order to be able to stand for election as a parish or town councillor, an individual must qualify as being eligible for office, i.e., an elector who is over 18, who is a Commonwealth citizen or a citizen of a member state of the EU. Additionally they are qualified if they have registered as a local government elector for the area of the parish, and/or during the whole of the 12 months before the day of being nominated as a candidate or the day of the election, resided in the locality of within 3 miles (4.8km) of it, or occupied as owner or tenant any land or premises therein or had his principal or only place of work. There are also certain disqualifications which should be checked. NALC give further information on this at [Vacancies and co-option](#).

I don't know if all 10 of our existing South Hill parish councillors will be looking to continue, but I'd be very surprised if they all did. So anyone who is looking to join the parish council will either fill a vacancy or if more apply than there are vacancies the parishioners will decide by a vote.

PLUS

WE WILL BE VOTING on who will be our Cornwall Council Representative

Here's the results from the last election.

I've been sent bios from 2 candidates and not heard from any others.

Election results for Lynher

Lynher - results

Election Candidate	Party	Votes	%	Outcome
Sharon Daw	Conservative	929	46%	Elected
Adam Sturtridge	Liberal Democrat	645	32%	Not elected
Martin Corney	Green Party	224	11%	Not elected
Barry Adams	Labour	203	10%	Not elected

Voting Summary

Details	Number
Seats	1
Total votes	2001
Number of ballot papers rejected	17

I am delighted to confirm that I have been selected to be the Conservative candidate for the Lynher division in the forthcoming Cornwall Council election in May 2025. I have lived in Trevigro for eleven years with my music teacher wife, Rachael.

I have stood for Cornwall Council previously, for the Callington and St Dominick ward – narrowly pipped at the post! I am an engineer and for the last ten years have been employed by PTG, a precision engineering company in Plympton. I also manage a few rental properties and can see for myself how new laws are potentially throttling entrepreneurs in the tourist industry. Locally, I am involved in our community at South Hill and have served as Parish Hall Treasurer and the Bookings Clerk.

Being the Chair of South Hill Parish Council brings me close to local people's needs. Practical tasks may involve me replacing a footpath post or visiting a planning applicant. The role is vast and incredibly rewarding affording opportunities to get to know people and to help where required. For example, localised flooding in our area is a hot topic and I am currently working with the community to help resolve this issue.

I attend our Tamar to Moor Community Partnership which brings local organisations and people together, along with the Cornwall Planning Partnership, where I receive training on all planning matters from Cornwall Council staff.

As Treasurer and Secretary of Callington Town Forum, I was delighted when The Forum supported Callington's Moondance Studio in the Dance World Cup held in Prague. The Forum also helped with the cost of a minibus for the Callington Youth Project.

County Councillors play an important role in communicating with all Parish Councils. If I am elected county councillor for Lynher, I will look forward to liaising with the various local parish councils and representing them along with all residents in the Lynher area.

With your support I look forward to this great opportunity.

Email andrewmartyrbudd@gmail.com

Mob 07727 443810

Andrew Budd

Adam Sturtridge, Cornwall Council candidate for Liberal Democrats in Lynher on 1st May

This is the second time Adam is standing for the Liberal Democrats in Lynher – having come second in 2021. He says "*I am passionate that our local community has good representation at every level of government. If elected, I will endeavour to provide good communication between Cornwall Council and the six parishes on Lynher division, including South Hill*"

Adam has served as a Parish Councillor in St Mellion Parish Council since 2021 with a good attendance record. He has remained active in the wider community and is an associate member of SHARE and fully supports its aims. He is an active member of Callington and District Twinning Association and has volunteered at various other community events.

Adam has been campaigning for the abolition of the Tamar Tolls and has been successful in attracting significant support for the policy within the Liberal Democrats.

He has been inspired by his grandfather, who was a Cornwall County Councillor for 36 years. His grandfather's dedication to social care and the vulnerable was honoured when the Morley Tamblin Lodge in Liskeard was named after him.

Many generations of Adam's family have lived and worked in the area around Callington. He lives in the family home with his artist wife just south of Callington. He was a dairy farmer during the 1990's, but in 2000 he retrained in software development. If elected in May, he will endeavour to serve the community with dedication and commitment.

News from Cornwall Council

Standing again

On May 1st Cornwall goes to the Polls to elect 87 Councillors for Cornwall Council and hundreds of Parish and Town Councillors.

I am pleased to announce that I will be standing again to continue to fight for the people of our community. More information will be coming out over the next few weeks.

Pelican Crossing issues

As I mentioned in my last Newsletter, the new 'Pelican' crossing for the A388 just north of Broadmead has been given approval and should be done in the spring. At the same time I raised the issue of the potential resulting blocking of the access to Coronation Road when heading north and have been told that 'we will monitor the situation' once the Pelican Crossing has been installed.

This is frustrating as, with the Gilston Road works in Saltash, we can see what the potential effect will be but we are being told that we have to 'wait and see'. A frustrating response but we will keep monitoring the situation in the hope that common sense will prevail. Stonecross Application coming back to East Planning

Bus Stop delayed

Earlier last year, I was successful in getting GoCornwall Bus and Cornwall Council's Public Transport group to agree to a reinstatement of the bus stop at Hazelwood Road. However I have hit a brick wall when it comes to the Yellow Lines which are needed in order for the stop to be activated. I will, however keep chasing with the Council for a resolution.

Church Street Sign to be re-painted

I have finally managed to pin down Cormac who have confirmed that the painted 'No Right Turn' Signage at the bottom of Church Street on the junction of the A388 has been added to the painting list for the current year.

Speaking to the Highways officer I was able to persuade him of the need to get the signage done with the number of people making the incredibly dangerous Right Turn which is notoriously dangerous.

Residents Urged to park safely in Estates

I have received a number of complaints regarding people parking in estates across Callington with the potential of creating a difficulty for emergency services to access parts of estates in emergencies because of vehicles parking poorly and blocking the highway.

I am speaking to the Police and Fire Service to see if a series of leaflets may be useful to remind residents that they need to leave room for fire engines and ambulances to access all parts of our Town in an emergency.

Hopefully these will go out before the Election Cycle begins in earnest.

National Highways relent on Summer Closures

We have now heard from National Highways that they have agreed not to impose summer closures in the Saltash Tunnel and delay the works until September.

This is a good move as the summer closures would cause added problems with the number of visitors and general traffic movements.

The closures will now commence on the first week of September.

Cormac Confirm Church Street Re-line in system

A number of people have raised the difficult situation at the bottom of Church Street where people are continuing the dangerous right turn onto the A388 despite the signage which forbids it.

I have raised this again and requested that the signage on the road be re-done to emphasise the issue, particularly before the new pedestrian crossing is installed.

I am hoping that once the weather finally improves this will take place.

Labour Government impose additional Housing on Cornwall

Once again the new Government have imposed something on Cornwall which is going to have a serious impact on the housing situation across the Duchy.

When the Cornwall Local Plan was completed in 2016, the then Government forced through a total of 57,000 houses to be built in Cornwall by 2030. We were required to demonstrate a '5 year Land Supply', ie that we have plans approved for 5 years worth of house building.

Then, late last year, the new Labour administration decided that building is not proceeding quickly enough across the UK and imposed larger targets, and for Cornwall this meant increasing the annual targets from 1,700 to 4,421 - more than doubling the target. As we are nowhere near this, it means by default that we cannot show a 5 Year supply and therefore they will use this to force new developments on Cornwall.

With most open market housing not affordable to local people, we have raised a serious concern that once again the local population will be discriminated against when it comes to affordable homes and we will continue to press the Government on this issue

Surgeries in March

During March I am holding the following Surgeries :-

Saturday 8th March - 10am to 12 Noon - The Members Room, Callington Pannier Market

Saturday 15th March - 1pm to 2pm - St Dominic Village Shop

Saturday 22nd March - 10am to 12 Noon - The Members Room, Callington Pannier Market

Alternatively you can contact me via email at :-

cllr.andrew.long@cornwall.gov.uk

South Hill Parish Council meeting

Details of the meeting held on **17 February 2025** included the following topics:

Public Session

Two residents from Maders attended to ask to Council what was being done as a result of the recent flooding. There is work to be done on a blocked pipe in the Parish Council owned field in Maders but the blockage is not affecting the total volume of water arriving in the hamlet when it rains. Maintenance of the road drains and ditches is the responsibility of CORMAC. Their steward has visited the site and they have recently cleared out the ditch. The Council were informed about recent traffic accidents and asked if it was possible to have a speed limit in Maders. The lack of street lighting and limited number of houses prevent this. The Council has previously obtained funding for the dragons teeth and signage. It was stressed that all accidents should be reported to the Police because that data is used to inform decisions about future road safety measures.

Accounts

Cornwall Council have put a time limit on their grant to part fund the fibre broadband project but will now accept a reduced initial payment of £1,000 to Openreach which can be accommodated within the council's cashflow. Despite regular requests, Openreach have yet to provide an invoice showing exactly what they are charging for.

Recreation Field

A quotation has been received for professional services to make the planning application for additional parking. It was unclear if this was just for extra parking for the Parish Hall or also included the separate parking at the top of the field for footballers. It was agreed to wait until planning permission is granted for the Hall extension (to be determined 5th March) before spending money on the extra parking. The extra footballer parking may not need planning permission.

It was intended to plant tree saplings in the recreation field. Because of the uncertainty about the new car park, it was agreed to plant these trees along the approach to the Jubilee Orchard.

A large spar stone which could be a hazard to cricketers has been marked and will be removed when ground conditions permit.

Allotments

It was agreed to keep the annual rent for a plot at £15.00.

Policies

A Health and Safety Policy was adopted, following an amendment to reflect the fact that it was now Council policy for chemicals to **not be** used on allotments.

May 1st election

An induction pack is being prepared for prospective and new councillors.

UPDATE FROM: Cllr David Skelton (for fully accurate information as to council meetings readers should consult the minutes of council meetings at www.south-hill-pc.gov.uk)

All communication should be directed to Jenny Hoskin (Parish Clerk) Telephone 07810 234417 or email southhillpcclerk@gmail.com or write to Branston Farm, Bodmin Road, Bodmin PL30 4BB

KEADEEN - BED AND BREAKFAST

A warm welcome awaits you at our home, situated on the outskirts of the village of Golberdon, near Callington. The following facilities are offered to make your stay with us a comfortable and pleasant one:

- Ensuite room with TV and tea-making facilities
- Pleasant lounge with TV for relaxation
- Breakfast room with view of surrounding countryside
- Home cooking
- Child-friendly environment (Cot & high-chair available)
- Summer house to relax in whatever the weather

Roger & Geraldine Parkyn : Tel: 01579 384197
