

A guide to recycling your “other” waste.

In 2019 SHARE started the RECYCLING FOR CHARITY project, saving valuable waste from being incinerated, and sending to TerraCycle to be recycled and generating money for charities. In May 2023 we hit the **£10,000** milestone for Kicks Count, our main charity, who help reduce stillbirths.

By May 2024 we have raised over **£15,000** and supported many local charities, schools and good causes.
May 2025 our total stand at **£18,500** plus a playground won and benches, wheelchair, camping gear bought.

THANK YOU EVERYONE !! Amazing we can raise this sort of money on items usually thrown away.

This guide shows details of the different items collected, divided into programmes

- TerraCycle have partnered with manufacturers who dictate what can be accepted
- The manufacturers pay money to our charities for the shipments we send
- Each manufacturer’s items are boxed and sent separately to be credited
- TerraCycle process the items we send them, to be made into park benches, water butts...

Please sort and bag or band or brick your plastic items into these programmes:

Programme	What we can accept	Items we can not take

August 2024

Yelverton FUN DAY was a great success giving away free cuddly toys and promoting our project.

We were also in Callington Library giving away free toys.... And

Promoting our project at Stoke Climsland and South Hill shows.

Bex at St Dominick Community shop

We'd love you to be more involved, in lots of ways, from recycling your own items, to asking local businesses if they can save the items we can accept for us, monitor a collection point in your community or place of work/play, help with the monthly trailer collections and boxing up, writing articles for your local newsletters... are just some ways you can help 😊

Freddie at St Germans
it doesn't always rain

Carole at Liskeard with her monthly collection
from Tremar, local pubs and schools

Thank you for your support!

Updated June 2025

Set up at Liskeard Food Market in December 23 giving away toys and games with Shandra and our regular Upton Cross helper Ursula with Rio, who loves to get in on the act. THIS YEAR was our first with MANY TOY SWAP and GIVEAWAYS which were a HUGE success and FUN !

Children of Brunel school, Saltash, excited by their new playground, Thanks to our **Recycling for Charity project** who won the NATIONAL TerraCycle Contest. The playground is made in part from old food storage containers and reusable drinks bottles collected across our catchment area in 3 months.

Over one tonne of these items was boxed up by our volunteers and sent to TerraCycle to be processed. Thank you everyone that had a declutter and donated items to us.

In addition, based on the shipments we sent, Sistema, the sponsor, has donated £1699 to KICKS COUNT our nominated charity, who aim to reduce UK stillbirths. An absolutely amazing result. We were delighted that representatives from TerraCycle and Sistema and Kicks Count CEO joined us at the ribbon cutting in May 2025 and Mayor Rachel Bullock, a former pupil at the school cut the ribbon.
