

October Thursday 29th Coffee Meet Up 10:30am start. There has been a great response to these and we will be continuing into the New Year, on the last Thursday of the month. Put these dates in your diary, **November 26th** will have a special Christmas theme; wear your Santa hats and tinsel. AND **December 31st** the last day of 2026, another time to celebrate together.

There will be a donation table as usual to help fund these events. If you have any questions please contact Linda Scott **07973 440101** or if you need a lift getting there.

November Saturday 7th Community Dog Walk 10 for 10:30am start at St. Sampson's church

Help raise funds for St Sampson's church restoration and Bits and Bobs Hoglodge, Callington.

A 4.5miles guided walk around the lanes and paths of South Hill. Dogs welcome. Ending with pasties and cake. £5 entry and donations welcome. <https://www.justgiving.com/campaign/stsampsonsstroll?>

November Saturday 7th Remembrance Service 2:30pm at the War memorial on Golberdon crossroads, hosted by South Hill Parish council.

If you would like to become a parish councillor there are four vacancies to fill, council meetings are monthly on the 3rd Tuesday of every month, except August, starting at 7:30pm. Discover the council plans for a pavilion in the recreation field and the costs involved. www.south-hill-pc.gov.uk/index

As we remember those from the parish that gave the ultimate sacrifice, I encourage you to read about the men and their families, who lived around us, in homes that others now call home. There are four marked graves in the parish, two at the Golberdon cemetery on Trevigro Rd and two at St. Sampson's church.

<https://south-hill.co.uk/south-hill-remembers-them>

November Sunday 15th Christmas Craft Fair 11am – 3pm hosted by Freddie's Fibre Friends. Last year the hall WAS PACKED with wonderful handmade gifts and crafts and this year promises the same. Plus a book signing, festive tombola and delicious refreshments. See you There.

Due to the storms, the **Community Orchard Open Day** was cancelled. There are trees and plants to put in, some weeding, create the pond, level the bench, record what plants and wildlife can be seen and dig up the cotton pants to test the soil. There is a WhatsApp group for those interested in the development and helping out, if interested contact Ali 07305 044049.

Golberdon Affordable Homes

The Housing Working Party, supported by Cornwall Council Affordable Housing Department, was established to examine the feasibility of land behind numbers 5 – 10 Moorland View in Golberdon, being used for affordable housing.

It is also anticipated that understanding what is and isn't possible, would allow us, as local residents, the opportunity to explore options, consequences and the impact of any development. This in turn, would hopefully put us in a better position to influence the outcomes for the site.

The first stage is to access feasibility grants. After applying to Cornwall Council, we have been granted Stage 1 funds this enables us to run the group and cover the costs of administration. We have also submitted a Stage 2 application for a grant which will fund architectural drawings, assessments by departments such as Highways and also the funds to request advice and guidance from utility companies. We are at the final stage of that approval process and waiting to hear if we are successful from Cornwall Council.

We meet at the Parish Hall every 6 to 8 weeks, all local residents are most welcome to join us.

For more information please speak to a member of

Recycle even more from home with Cornwall Council.

Cornwall Council collect cartons (sometimes known as Tetra Pak) and plastic bags and wrapping from homes in Cornwall as part of the usual fortnightly kerbside recycling collections.

Started March 2026 items now include:

Cartons used for foods such as:

- Milk
- Juice
- Custard
- Soup
- Pasta and tomatoes
- Beans and pulses

To recycle them, simply rinse, squash and pop them in your **red** recycling bag. Keep the lids on.

Plastics and wrapping including:

- Plastic bread bags, cereal bags, salad bags, frozen food bags and carrier bags
- Multi-pack wrapping
- Bubble wrap
- Cling film
- Plastic film lids
- Fruit and vegetable nets
- Chocolate, sweet and biscuit wrappers
- Crisp and snacks packets

To recycle them, put your plastic bags and wrapping into a carrier and tie it at the top.

If you have space, put the tied bag inside your red recycling bag.

No space left? Put the tied bag on top of your black box or tuck it securely between your other recycling bags so it doesn't blow away.

CC updated A-Z guide to check what can be recycled www.cornwall.gov.uk/recycling
